Join us for INTERGRAPH - COADE Product Update : Seminar & Free Training

Golden City Hotel, Rayong · October 17 - 18 ,2011

President Palace Hotel, Bangkok · October 20 - 21 ,2011

On behalf of Intergraph USA and Neon Infotech South East Asia Co., Ltd., I would like to take this opportunity to inform that we are hosting **INTERGRAPH - COADE Product Update : Seminar & Free Training** tentatively around 2nd week of October at both Rayong and Bangkok, separately.

The event will be for 2 days each at Bangkok and Rayong.

On 17th - 18th October 2011 at Golden City Hotel , Rayong. For further information please log on <http://www.goldencityrayong.com/>

On 20th 21st October 2011 at President Palace Hotel, Bangkok. For further information please log on <http://www.presidentpalacehotel.com/>

This conference is geared for EPCs, OOs, and Fabricators : for all Engineers, designers, and managers.

These 2 days will provide a platform for the user community to learn about the new features, functionality and explore hand-on modeling and analysis using the latest version of the software. You would also see the integration possibilities between different engineering solution suite from Intergraph and how this can benefit in your workflow, engineering design and project executions.

We also look forward to listening to your current issues and provide solutions to them.

Please let us know what functionality and features should be there in future versions, which will be launched in future.

Attached below is preliminary information so that you can plan your schedule and book your dates for this conference
